European Awards 2017

LAW FIRM OF THE YEAR: ROMANIA

WINNER

★ MARAVELA & ASOCIAȚII

Maravela & Asociații was conceived as an alternative to the leading models present in the Romanian market, implementing a 'no-work-during-free-time' policy rare in the legal sector. This policy has not held back success. In the last year the firm has picked up numerous major new clients from across the globe but particularly from Germany, strengthened with a series of new partner hires and advised on some of Europe's biggest M&A deals. The result has been a double-digit boost in revenue growth.
